**Warm-up
Game**

Telephone

Start the lesson with this game which is a Warm-up and a review of the topics dealt with in the unit.

The aim of the game is to pass a message from the first student in the row to the last. The winning group is the group that is able to pass on the message as accurately as possible so that the last member in the row can answer questions about the message.

- a. Divide the class into groups of eight seated in a row.
- b. Whisper the following "message" twice to the first member in each row: "There are three tall red monsters sitting under a tree outside. They're drinking a lot of water and eating ten sandwiches, an onion, nine oranges and six bananas."
- c. Members of each group pass on the message by whispering it to each other.
- d. The last member in each group comes up to the teacher and answers the following questions:
 1. How many monsters are there?
 2. How many oranges are they eating?
 3. How many bananas are there?
 4. How much milk is there?
 5. How many sandwiches are they eating?
 6. They're eating sandwiches, oranges, bananas and _____.

Each correct answer is awarded a point. The winning group is the group with the most points.

Level 1
3.5 Lesson Plan
Session 2

Warm-up

Review the new words. Write the words on the board.

Now erase part of each word leaving only some initial letters in each.

As you point to these initial letters randomly, call on students to repeat the words.

For example: always → al; animal → ani

Check

Check the homework. Use the exercise as a springboard to review count and non-count nouns and their determiners. Remind students of the difference between **a** and **an**; **many** and **much**.

Movie

Before the students watch the movie again, read the following exercise and explain the assignment. Reading the exercise with the class beforehand is important as yet another review of the new vocabulary.

Fill in the missing words from the movie. Use from the words in the box.
